Apple TV 4k Enhance Dialogue

Step by step by step how to turn on Enhance Dialogue on your Apple TV 4K. You need to make sure you have one of 4k models to do this.

1. Go to “Settings” and click on “Video and Audio”

2. In Video and Audio click on “Enhance Dialogue.”
The default is off.

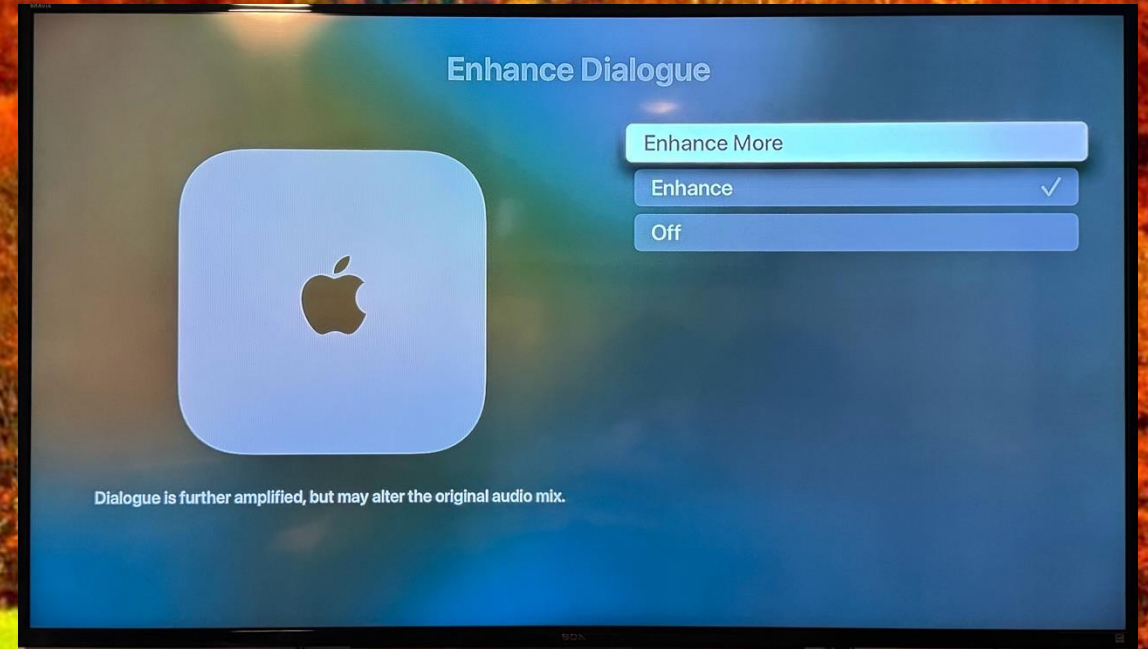

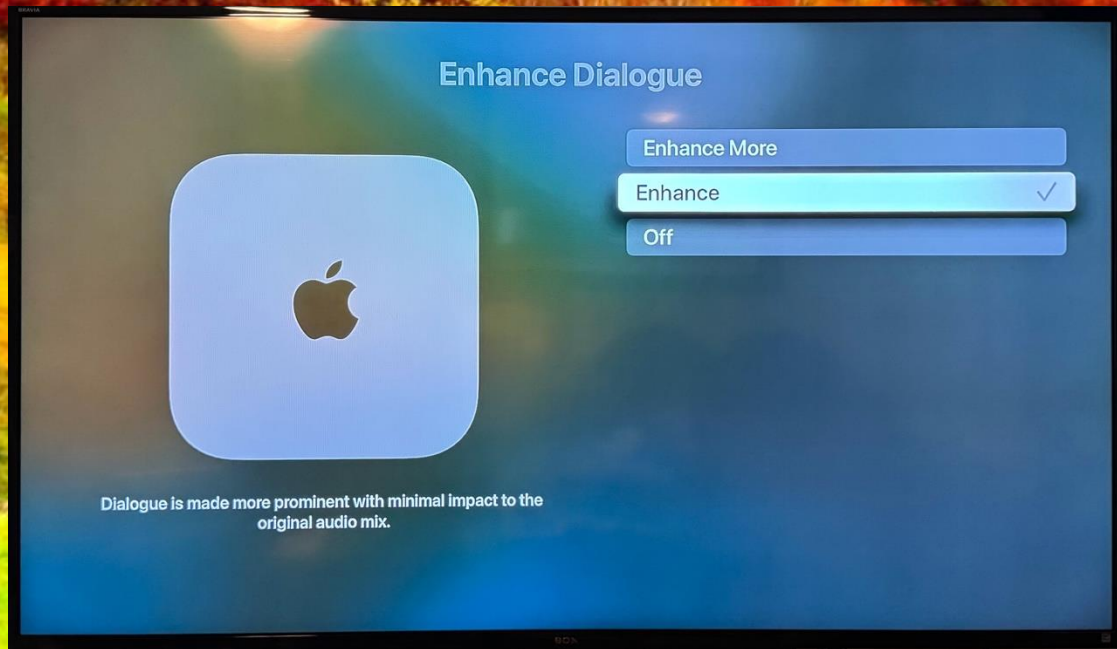

Apple TV 4k Enhance Dialogue

Step by step by step how to turn on Enhance Dialogue on your Apple TV 4K. You need to make sure you have one of 4k models to do this.

3. In the Enhance Dialogue menu, click on “Enhance.”

If you need more enhancement of the dialogue to hear it better, you can click “Enhance More.” Be aware if you do this, you might lose some of the ambient audio.

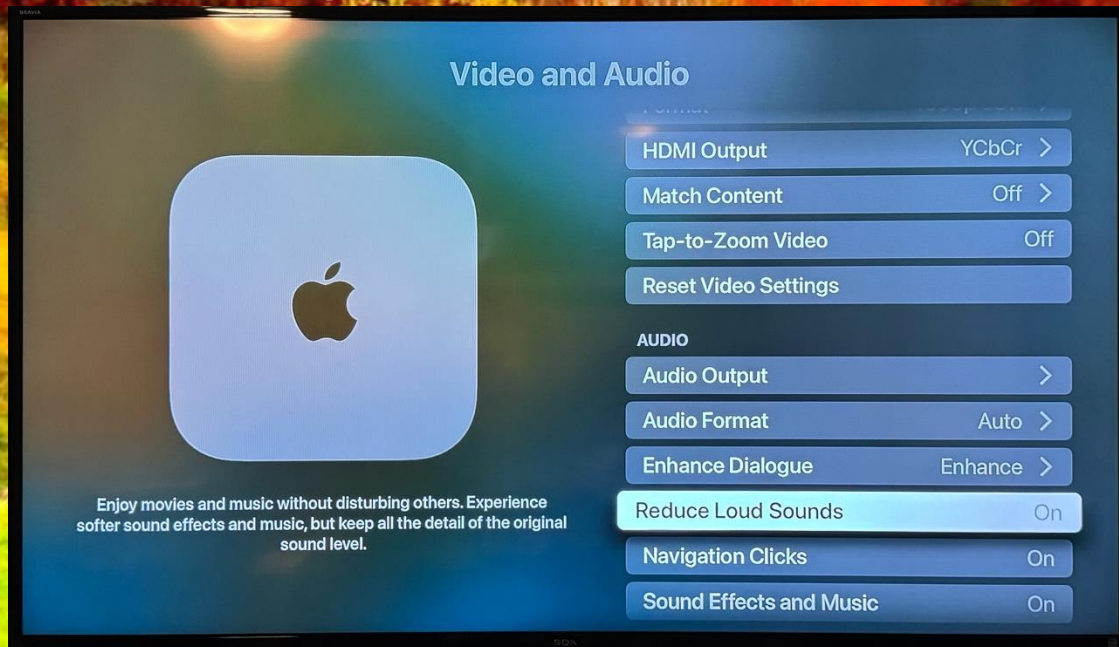

Apple TV 4k Enhance Dialogue

Step by step by step how to turn on Enhance Dialogue on your Apple TV 4K. You need to make sure you have one of 4k models to do this.

5. If you still want more dialogue enhancement, go back out to the Video and Audio menu and select “Reduce Loud Sounds.” this will soften special effects and music.

6. If you need further adjustments, you have one other possible helper. Go back out to the main settings menu and select “Accessibility.”

Apple TV 4k Enhance Dialogue

Step by step by step how to turn on Enhance Dialogue on your Apple TV 4K. You need to make sure you have one of 4k models to do this.

7. In Accessibility, click on “Add Voice Isolation.” Understand this is the most extreme setting to enhance dialogue. If you choose this, you are probably going to lose other audio elements so you may not hear background sounds or music.
